Celebration of Dance for the past ten years has given the public a chance to enjoy Arizona's diverse dance culture; hip hop, flamenco, modern, salsa, tap, ballet, and various other cultural dances. It has also given talented dancers and dance companies an opportunity to show their creative works and an opportunity to perform for the public at large.

Produced by Golden Lion Productions, Inc. a non-profit (501c3) volunteer organization dedicated to serving the community with professional, artistic, creative, and educational opportunities and events.

Youth Outreach Program: as part of our educational outreach program, each year we invite youth from the valley's youth organizations to attend these inspiring concert-events, made possible by donations from generous individuals and area businesses.

We value your support to help us continue to present these concerts for the benefit of the dance community, for the public's enjoyment, and for the benefit of our local businesses.
