On May 1st, May 2nd, and June 19th... Golden Lion Productions presents...

Celebration of Dance 2010

Promoting Dance during National Dance for the past 11 years...

Arizona celebrates National Dance Week with an exciting display of dance expression performed by some of Arizona's creative and innovative dance companies and solo artists.

Join us in supporting dance-arts in our community; your contribution will be of great value to help continue in presenting this inspiring and entertaining annual concert-events.

Your contribution will go towards production funds, dance scholarships, and youth seats; which gives us a wonderful opportunity to invite young people from the valley's youth organizations to attend as part of our outreach program for inspiration and to experience the diverse dance culture here in Arizona.

Thank you, we greatly appreciate your generosity and we promise to continue presenting these concerts in the years to come as long as the community is in support of these amazing concert presentations.

Donations made after April 10th will be listed in the following season's program.

Please place a check mark below in the box next to desired contribution. All contributors will receive name recognition under specified category in the 2010 concert program.
